Construction Skill Development Council Of India

A sector specific Rozgar Mela (Job Fair) was held on 30th October 2018 organised by CSDCI in Guwahati, as part of a Skill India initiatives with a vision to empower and provide employment opportunity to the Youth of Assam. The Job Mela attracted prospective employers from Bangalore, Gujarat, Assam, Noida, Gurgaon who came to hire candidates for the Construction industry in their regions. While selecting the candidates, interviews were conducted and their resumes, 10th & 12th Mark sheet and skill / technical Certificate were also sought. Candidates were given jobs according to their skills and education. 105 certified candidates participated in the Mela and 85 were shortlisted by these companies for jobs in their organizations. The organizations which attended included Reliable First Pvt. Ltd, Stibel Eltron, Terron Construction and Fast Skills Pvt. Ltd.

CSDCI Participated in release of report on Skilling India by NCAER and attended the Panel Discussion moderated by Dr. K .P. Krishnan, Secretary, MSDE on 30th October. Report offers a framework for policymakers and practitioners to use to design, execute and evaluate skilling pathways that can help break the cycle of poor skilling and slow creation of good jobs— the low-skilling trap that India is caught in.
