

Expression of Interest (EOI) for Online Assessment Platform

Brief about Expression of Interest

NAME OF THE PROJECT	Online Assessment Platform
ABOUT CSDCI	<p>CSDCI is an autonomous industry-led awarding body in Skill ecosystem recognized by Ministry of Skill Development & entrepreneurship (MSDE) and National Skill Development Corporation (NSDC) for Construction sector.</p> <p>CSDCI is responsible for creating National Occupational Standards (NoS) and Qualification Packs (QPs) as per NSQF requirements. The Skill Competency Framework, Skill Assessment Guidelines and methodology are also developed by the council so that the successful beneficiaries can be awarded a skill certificate acceptable by the industry. CSDCI have been working in close coordination with various Ministries in skill Eco-space and is participating in the flagship schemes for assessment & certification of construction workers.</p> <p>More details about CSDCI can be understood by visiting the CSDCI's website here - https://www.csdcindia.org/</p>
PROJECT DETAILS	CSDCI is looking forward to conduct Skill Assessments of all job roles by using a robust online assessment platform. This will be a central program which will cater to monitor the assessor, assessment agency & facilitate the online assessment, evidence capturing and marking & judgement of competency of candidates.
