The government of India is going to create a platform to map skilled workers. The portal will map details of workers based on region and demand across industries. The portal is being developed by NSDC and an AI firm. It is likely to be launched by mid-June by NSDC.

## Upcoming Webinar

Construction Sector is the 2nd largest employer and the largest employer for migrant workers. Government has planned for 100 lakh crore in infrastructure development, Housing for all and Water to all households (under Jal Jeevan Mission) and are time bound government schemes. These schemes and investments will create huge opportunities for youth having skills in construction sector. More such insights will be shared by CEO, CSDCI while discussing on “How Construction Sector will Recreate Opportunity Post Lockdown” on 5th June 2020.
