Online Training & Assessment in the Construction Sector

CSDCI has been striving to formulate the strategy to conduct online training & assessment in the construction sector. A lot of training providers and IT firms are approaching CSDCI to provide the solutions in this challenging situation caused by the current pandemic. The terms of reference document is being drafted which will cover the aspects of online training & assessment component by keeping all the stakeholders in communication - the Industry, NSDC, training providers and the trainers. With this “new normal” in place and a situation of reverse migration, this will be expected to give a big boost in the construction Skill ecosystem of India.

Apprenticeship Corner

If establishment wants to register an apprentice under the EPF, they need to ensure the following:

- That the net stipend disbursed to the apprentice after adjusting the deduction made on account of EPF contribution should not be less than the prescribed amount .
- The EPF account w.r.t an apprentice is newly opened. This is to ensure that an establishment is not engaging a person as an apprentice who has formally been a worker in any establishment
