CSDCI conducted the assessment at Nabarangpur, Odisha of Rural Mason Trade. Total 30 candidates participated in the assessment. The assessment was conducted in two days. Proper social distancing and safety norms are being followed by the team during assessments.
LETTER FROM CEO's DESK

Payments to TPs/Assessment Agencies/PlAs/Facilitators of CSDCI:

This is to inform to all TPs/Assessment Agencies/PlAs/Facilitators of CSDCI that CSDCI has become functional after facing lockdown issues during Covid Crisis. Now we have been dedicatedly working towards enhancement of the Construction Skill Ecosystem and processing or payments to all the related stakeholders in schemes & projects.

We are aware of the problems being faced by you because of non-payments and we are making all efforts to meet your expectations. However, due to Covid19 issue and not receiving amounts from funding departments, payments disbursements are delayed. Roughly 25% of the total amount has been received from NSDC. We are making efforts to release the same at the earliest.

May we request you to have patience and wait for sometime before we can release the payment. We are hopeful to complete the payment process within a month.
Employers benefit from apprenticeship in following ways--
1. Getting highly competent employees who meet the specific needs of the employer (rather than having to resort to external recruitment)
2. Improving productivity, as well as the quality of services and products
3. Saving on recruitment and retraining costs
4. Realizing a high return on investment in the long run
5. Participating in defining specific employer-based training content and development of standards
6. Supporting corporate social responsibility
This project is launched to give momentum to skill driven employability initiatives in the State. KASE-State Skill Development Mission intends to empanel Centres as Centres of Excellence (CoEs) and invites agencies to establish CoEs. KASE vide this EoI also intends to grant accreditation to courses which will provide knowledge, soft-skill as well as technical-skill driven training in the identified industry sectors to the youth of the State in adherence with National Skills Qualifications Framework (NSQF) notified by the Government of India Vide Office Memorandum dated 24.04.2018.

The main objective of the projects under iSTEP initiative are Skill Training, Industry insight and Assured placement of candidates.
National skill development corporation (NSDC), operating under the aegis of Ministry of Skill Development and Entrepreneurship (MSDE), has collaborated with Directorate of Skill Development and Entrepreneurship (DSDE), Government of Goa to set up an International Skill Hub in the state.

The announcement was made through a webcast, which was graced by the presence of Dr. Mahendra Nath Pandey, Minister for Skill Development and Entrepreneurship, Shri Vishwajit P. Rane, Minister of Health, Industries and Trade, Women and Child Development and Skill Development and Entrepreneurship, Government of Goa and others.

The institute will provide training in advanced skills in highly specialized areas across sectors like Healthcare, Tourism and Hospitality and other emerging business domains to meet the requisite industry demands. Envisaged to be a highly premier training institution in the country, it shall help in making vocational training aspirational for the youth.
Keep Our Workplace Safe!

Practice good hygiene

- Stop hand shakes and use non-contact greeting methods
- Clean hands at the door and schedule regular hand washing reminders
- Disinfect surfaces like doorknobs, tables, and desks regularly
- Avoid touching your face and cover your coughs and sneezes
- Increase ventilation by opening windows or adjusting air conditioning

Limit meetings and non-essential travels

- Use video conferencing instead of face-to-face meetings
- When video calls are not possible, hold your meetings in well-ventilated rooms and spaces
- Suspend all non-essential travels and trips

Stay home if...

- You are feeling sick
- You have a sick family member at home

Take care of your emotional and mental well-being

Outbreaks are a stressful and anxious time for everyone. Take care of your loved ones.

Prevent the spread of COVID-19 in 7 STEPS

01. Wash your hands frequently
02. Avoid touching your eyes, nose and mouth
03. Cover your cough using the bend of your elbow or a tissue
04. Avoid crowded places and close contact with anyone that has fever or cough
05. Stay at home if you feel unwell
06. If you have a fever, cough and difficulty breathing, seek medical care early — but call first
07. Get information from trusted sources
