LinkedIn and NSDC joined hands upskill Indian youth to become future-ready digital workforce

NSDC’s eSkill India portal has collaborated with Microsoft to provide free access to learning resources and conduct digital skilling awareness drives, providing the next generation of learners with the skills they need to thrive in a digital economy. It will provide numerous opportunities for people to reskill and upskill, placing roles that are in-demand within reach of job seekers. This strategic partnership aimed at providing digital skills to over 1 lakh youth in the country.
The Ministry of Skill Development and Entrepreneurship (MSDE) has organized a digital conclave for the second edition of Kaushalacharya Samadar 2020. The trainers across different sectors were felicitated for their exceptional contribution in building the country’s skilling ecosystem and preparing a future-ready workforce. The occasion was addressed by Prime Minister Shri. Narendra Modi’s addressing note for the country’s trainers appreciating their persistent hard work.

A total of 92 trainers from diverse backgrounds across geographies from different categories were felicitated at the digital conclave. Kaushalacharya Awards is an annual event to recognize the contribution made by skill trainers in the vocational training ecosystem. By 2022 it is estimated India will need about 2.5 lakh trainers across the skilling ecosystem. Two trainers were also nominated by CSDCI for Kaushalacharya Awards 2020.
