## APPRENTICESHIP/NAPS UPDATE

### General Safety Practices to be adopted by Apprentices & Establishments

- Make sure that training centres are clean and hygienic: Surfaces (e.g. desks, tables, door handles etc.) and objects (e.g. telephones, keyboards, training equipment) need to be wiped with disinfectant regularly
- Promote good respiratory hygiene in the workplace
- Awareness campaigns for trainees and trainers that anyone with even a mild cough or low-grade fever (37.3 C or more) needs to stay at home.
- Personal Protective Equipment and measures for sanitary worker/housekeeping staff
- Masks are effective if worn according to instructions and properly fitted, covering mouth and nose.
- Avoid central air conditioning of training centre. Open windows and doors whenever possible to make sure the training centre is well ventilated.

# Keep Our Workplace Safe!

## Practice good hygiene

Stop hand shakes and use **non-contact greeting methods**

Clean hands at the door and schedule **regular hand washing** reminders

**Disinfect surfaces** like doorknobs, tables, and desks regularly

**Avoid touching your face** and cover your coughs and sneezes

**Increase ventilation** by opening windows or adjusting air conditioning

## Limit meetings and non- essential travels

Use **video conferencing** instead of face-to-face meetings

When video calls are not possible, hold your meetings in **well-ventilated rooms and spaces**

**Suspend all non-essential travels** and trips

## Stay home if...

- You are **feeling sick**
- You have a **sick family member** at home

## Take care of your emotional and mental well-being

Outbreaks are a stressful and anxious time for everyone. Take care of your loved ones.
