Amid the coronavirus disease (COVID-19) pandemic outbreak, India is relaxing the economic activities in the country in a phased manner under the ‘Unlock 4’ guidelines so that the economy doesn’t take a serious hit due to the pandemic.

Skill or entrepreneurship training will be permitted in National Skill Training Institutes, industrial training institutes, short term training centres like Pradhan Mantri Kaushal Vikas Yojana (PMKVY), Pradhan Mantri Kaushal Kendra (PMKK) etc. registered with National Skill Development Corporation (NSDC) or State Skill Development Missions or other ministries of the central and state governments, it said.

National Institute for Entrepreneurship and Small Business Development, Indian Institute of Entrepreneurship and their training providers will also be permitted from September 21, 2020 for which SOP will be issued by Ministry of Health and Family Welfare, Government of India (MOHFW).
NSDC’s eSkill India portal has collaborated with Microsoft to provide free access to learning resources and conduct digital skilling awareness drives, providing the next generation of learners with the skills they need to thrive in a digital economy. It will provide numerous opportunities for people to reskill and upskill, placing roles that are in-demand within reach of job seekers. This strategic partnership aimed at providing digital skills to over 1 lakh youth in the country.

To help drive change towards sustainable housing through empowering women, the European Union has launched a 1-million-euro project in four districts of Maharashtra and Odisha under which it will train 3,000 women in masonry, plumbing and electrical fitting, among others.

The project is being implemented in Beed and Osmanabad districts of Maharashtra and the Dhenkanal and Jajpur districts of Odisha and is aimed at positively impacting two lakh families over the next three years. The project aims at targeting 3,000 women-led households in these four districts and is being implemented with the housing-focussed not-for-profit Habitat for Humanity India. The project will also set up 50 social enterprises by supporting women through entrepreneurial trainings and skills.
# Keep Our Workplace Safe!

## Practice good hygiene

- **Stop hand shakes and use non-contact greeting methods**

- **Clean hands at the door and schedule regular hand washing reminders**

- **Disinfect surfaces** like doorknobs, tables, and desks regularly

- **Avoid touching your face** and cover your coughs and sneezes

- **Increase ventilation** by opening windows or adjusting air conditioning

## Limit meetings and non-essential travels

- **Use video conferencing** instead of face-to-face meetings

- **When video calls are not possible**, hold your meetings in **well-ventilated rooms and spaces**

- **Suspend all non-essential travels and trips**

## Stay home if...

- You are feeling sick
- You have a sick family member at home

## Take care of your emotional and mental well-being

Outbreaks are a stressful and anxious time for everyone. Take care of your loved ones.
