## Rs 280 crore push to skill development programme under the livelihood mission in Uttar Pradesh

The Centre and the state have come together to make a fresh budgetary push of over Rs 280 crore to the Deen Dayal Upadhyay skill development programme under the state rural livelihood mission (SRLM). The mission has attained the status of being the key driving force in provisioning jobs for migrants who returned to the state following the coronavirus-induced lockdown. SRLM has contributed majorly in providing jobs to migrants, especially women, through formation of self-help groups (SHGs).

Officials said that the fresh budgetary allocation would help the state government in meeting the demands of the SHGs and executing various schemes under the mission. In a communique sent to rural development commissioner K Ravindra Naik the rural development department has said that the state government has decided to release a grant of Rs 81 crore against Rs 122 crore released by the Centre.

In fact, the Centre's contribution amounts to 60% of the total funds allocated to the programme. Likewise, the Centre and the state government have released a sum of Rs 51 crore and Rs 34 crore, respectively to train people of the SC/ST category.
