News from SKill Ecosystem

Skill India undertakes special Recognition of Prior Learning (RPL) for workers:

The Ministry of Skill Development and Entrepreneurship (MSDE) conducted a Special Recognition of Prior Learning (RPL) program on 21st December 2020 for workers with the Department of Panchayati Raj (DoPR) in Chandauli and Varanasi. At a virtual event, Dr. Mahendra Nath Pandey, Minister of Skill Development and Entrepreneurship felicitated over 900 workers who have successfully completed their RPL training with skill certification and announced the launch of phase II of the programme. The event was also graced by Shri. Bhupendra Singh Chaudhary, Minister, Panchayati Raj, Uttar Pradesh and Shri. Kapil Dev Agarwal, Minister of State (Independent Charge), Vocational Education and Skill Development, Uttar Pradesh.

Aatamanirbhar Skilled Employee-Employer Mapping (ASEEM)

ASEEM portal, as launched by the Union Ministry of Skill Development and Entrepreneurship (MSDE), developed by the National Skill Development Corporation (NSDC) on 10th July, stands for ***Aatamanirbhar Skilled Employee-Employer Mapping*** which is artificial intelligence(AI) based portal which helps people in finding sustainable livelihood opportunities

Key objectives:

1. The ASEEM portal has been envisioned to give a huge impetus to our persistent efforts to bridge the demand-supply gap for skilled workforce, bringing limitless and infinite opportunities for the youth.
2. The portal will map details of workers based on regions and local industry demands and will bridge demand-supply gap of skilled workforce across sector
3. The ASEEM portal and App will have provision for registration and data upload for workers across job roles, sectors and geographies.
4. The initiative also aims at accelerating India's journey towards recovery by mapping skilled workforce and connecting them with relevant livelihood opportunities especially in the post COVID era.

Keep Our Workplace Safe!

Practice good hygiene

Stop hand shakes and use **non-contact greeting methods**

Clean hands at the door and schedule **regular hand washing** reminders

Disinfect surfaces like doorknobs, tables, and desks regularly

Avoid touching your face and cover your coughs and sneezes

Increase ventilation by opening windows or adjusting air conditioning

Limit meetings and non-essential travels

Use **video conferencing** instead of face-to-face meetings

When video calls are not possible, hold your meetings in **well-ventilated rooms and spaces**

Suspend all non-essential travels and trips

Stay home if...

- You are **feeling sick**
- You have a **sick family member** at home
