The Government proposes to amend the Apprenticeship Act with a view to further enhancing apprenticeship opportunities for our youth. We will realign the existing scheme of National Apprenticeship Training Scheme (NATS) for providing post-education apprenticeship, training of graduates and diploma holders in Engineering. Over 3,000 crores will be provided for this, said Finance Minister Smt. Nirmala Sitharaman. Finance Minister said “I wish to lay a vision for AtmaNirbhar Bharat. AtmaNirbharta is not a new idea. Ancient India was largely self-reliant, and equally, a business epicentre of the world. AtmaNirbhar Bharat is an expression of 130 crores Indians who have full confidence in their capabilities and skills”.

To further extend our efforts towards the unorganised labour force migrant workers particularly, I propose to launch a portal that will collect relevant information on gig, building, and construction-workers among others. This will help formulate Health, Housing, Skill, Insurance, Credit, and food schemes for migrant workers.
